ICE SUBSCRIPTION INFORMATION

We are delighted to offer Tuesday/Thursday sessions for the 2009-2010 skating season.

SESSION INFORMATION

The Tuesday/Thursday ice is sold by yearly subscription. Our ice sessions have filled quickly in the past; it is recommended you purchase a subscription to guarantee a spot. Please note that the Tuesday & Thursday Sessions are full year subscriptions and by signing up you are required to pay for all 2009-2010 sessions. The first installment is due on Aug 15. Prior to Dec. 15, you will be billed for the second installment plus any price increased incurred from Ice rental with Rye Playland. The second installment is due on Dec. 15.

Walk-ons may be honored **only if space permits** and will be charged at \$25 per hour. If space is available, any walk-ons must be cleared with the session monitor before the skater takes the ice. If the session is completely sold out, walk-ons **will not** be permitted.

The *Thursday Stroking and Edgework Clinic Ice* will be offered as 2 separate subscriptions. You may sign up for either Clinic 1 (12 sessions) or Clinic 2 (18 sessions). Space permitting, you may walk on to this ice for \$15/session. Fees are for ice time only, coaching fees paid separately. Skaters in a lesson are also permitted on this session at the subscription or walk on rate. Please note that if you are not also subscribed to the Moves and Freestyle session, you must clear the ice promptly after the clinic.

We limit the number of skaters on each session for the safety of our skaters. Sessions are also restricted according to skating level. Please see table above for details on the levels. If more than the allotted number of skaters applies for any session, some skaters will not be awarded all of the ice-time for which they apply. You will be notified if the session is filled. Ice subscriptions are awarded as follows:

Applications postmarked by the deadline of **August 15**.

- 1) Home club members re-subscribing to the same ice session as last year
- 2) New subscribers that are home club members
- 3) Associate Members re-subscribing to the same ice session as last year
- 4) New subscribers that are associate members
- 5) Space permitting, any applications postmarked after August 15

MEMBERSHIP

To skate on Rye FSC sessions, you **must** be a Home Club or Associate Member of the Rye FSC. Membership forms are available on the Rye FSC website at www.ryefsc.org. Please note you will not be allowed to skate on a session unless your membership is current and any past due fees are paid.

SUBSCRIPTION PAYMENTS

Subscription payments for the 2009/10 skating season should be remitted as instructed on the subscription form. The first payment is due August 15 and the second payment is due December 15. A skater will not be allowed to skate unless his/her account is in good standing. Failure to keep an account current can result in the skater being excused from a session and their spot sold to another skater. Contact the Rye FSC Treasurer with questions on your account (see website www.ryefsc.org for contact info). The walk on \$25.00/hr fee is due prior to the skater taking the ice. Any returned checks will incur a fee of \$25.00.

Please complete and return the preregistration form, with a check made payable to the **Rye FSC** for the first installment postmarked by **August 15**. The second payment is due **December 15**.

Please send check payable to Rye FSC and completed subscription form to:
