

## Rye Figure Skating Club 2009-2010 ICE SESSION PREREGISTRATION

July 20, 2009

Dear Rye Members and Associates,

Rye Figure Skating Club is offering preregistration to its Tuesday and Thursday Freestyle sessions, as well as the Thursday Stroking Clinic.

Please note that this is a preregistration for the 2009/10 season. We are requesting payment for half year ice fees estimated based on the previous season. Once the exact the dates and number of sessions for the 2009/10 season are confimed with Playland, we will issue a bill that reflects any difference in cost due to a change in the number of sessions or hourly costs from Playland. The second installment will be due Dec 15.

To help with your planning,

- Rye sessions generally run from early September through late April.
- Tuesday sessions generally involve **Moves from 5:45pm – 6:15 and Freestyle 6:15 – 7:45 and are only open to skaters who have passed Pre Preliminary Freestyle and above.** There are typically 31 - 33 sessions.
- Thursday sessions generally involve **Moves from 5:45pm – 6:15 and Freestyle 6:15 – 7:45 and are open to skaters who have passed Freeskiate 2 – Juvenile Freestyle.** There are typically 31 to 33 sessions.
- The Thursday Stroking and Edgework clinic generally runs from 5:15 – 5:45 pm. Fees for this clinic cover only the ice time. An additional fee is paid directly to the instructor. There are typically 31 to 33 sessions.
- Session dates and costs will be finalized around August 15

As usual, we are filling spots based on the prioritization (see page 2 of the subscription ice form).
